To whom it may concern,

I am writing to recommend Enrico Della Volpe. He has worked with us at Euroworkspace Ltd as a CAD designer since November 2018.

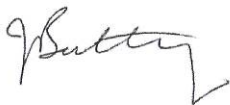

As an employee, Enrico has always been conscientious and hard working. During his time in my team, he managed to produce many quality and complex renders and designs.

I have always put a premium on completing any urgent request among my team members and Enrico never failed to deliver.

Enrico is a delight to work with and I would not hesitate to employ him again. It is only because of the downturn in business due to the COVID pandemic that we had to let him go.

Should you have any further questions about Enrico please feel free to contact me on 01621 855053.

Yours sincerely

Joanne Batley
